Personal Conduct

-Number one: Respect each other and family members. Enough said. This is too good to be shut down... expect local community members

- The legal age to consume alcohol is 21. Alcohol will NOT be served at the fields and is NOT legal. With that said, be responsible since I know those wanting to drink at the fields... will anyway. If you choose to drink at the fields, you are on your own with the LAW.
- Have a plan to and from the fields as well as Saturday night if you intend on going out. *Don't drink and drive!*
- Bottom line we want everyone to have a great time! Use common sense and watch out for your fellow AMMO Troop. *We expect the Ranking Individual/Team coach to be responsible for personnel from their units.*

Hotels: There are tons of hotels in the area we didn't set anything up as far as hotels. We did this because we didn't want to make the decision for all the teams on where you would be staying. We have provided the location of the ice breaker and the fields. **However, the Crown Reef Resort will offer a bulk discount if you want us to pursue it.**
